

# Come Be Set Free

Hesitant to talk to someone about a past abortion experience?  
Think you could never be forgiven?

**You are  
not alone.**

Based on current rates,  
1 in 3 women will  
experience an abortion  
by age 45.

Many live in shame and do not seek healing.

Don't live with the grief and guilt caused by the loss  
of a child to an abortion.

**Whether it has been a few days or many  
years, the time to be set free is now.**

Bridgehaven offers post-abortion recovery support  
in a 9-week confidential group setting or one-on-  
one. Call or go online to learn more.
