

Come Be Set Free

Hesitant to talk to someone about a past abortion experience?
Think you could never be forgiven?

**You are
not alone.**

Based on current rates, 1 in 3 women will experience an abortion by age 45.

Many live in shame and do not seek healing.

Whether it has been a few days or many years, the time to be set free is now.

Bridgehaven offers Post-Abortion Support groups, one-on-one mentoring and a healing retreat called Rachel's Vineyard for any woman or man who has struggled with the emotional or spiritual pain of abortion. Call or go online for more information.
