"Rachel's Vineyard has helped me to move on with hope. When I met other women who had abortions and had suffered just the same as I had, I didn't feel so alone anymore. The healing I experienced on the weekend was amazing and is still ongoing."

RACHEL'S VINEYARD RETREAT FOR HEALING AFTER ABORTION

Rachel's Vineyard weekend retreats offer a beautiful opportunity for healing to any woman or man who has struggled with the emotional or spiritual pain of an abortion.

The retreat is a chance to get away from the daily pressures of work and family, to focus on a painful time in life, and to begin healing through a supportive and non-judgmental process.

Spiritual exercises focus on God's forgiveness, compassion, and mercy. Psychological exercises help you work through repressed grief and anger that might exist.

Many preconceived fears of condemnation are transformed into blessings; memories of abandonment, pain, and confusion are replaced by peace and reconciliation.

Comments from previous retreat participants

"The environment was completely free of condemnation and judgment...I have never felt such acceptance, understanding, and grace. It was incredibly powerful to just be accepted and, for once, be unashamed of who I am."

"I was nervous and thought of many excuses not to face my fear. I followed God's prompting to be open to this experience and he showed me unmeasurable faith and love."
