How would the opportunity to attend classes at Kirkwood compliment your dreams for your life?

Scholarship Recipient Covenant Agreement

By applying for this scholarship for Kirkwood Community College from Bridgehaven Pregnancy Support Center, I promise to do my best to be respectful, responsible, and dedicated while taking classes if I am chosen as a recipient. As part of this effort, I commit to the following:

1. I promise to make every effort to attend all class meetings. This includes lining up back-up childcare, if needed, and back-up transportation. I will not schedule other appointments or activities during my class time. If an emergency prevents me from attending class, if possible, I will contact my instructor before class to let him or her know that I will be absent. I will also seek to make up any work I missed as soon as possible.
2. I promise to do **all** of my homework before class. I will set adequate time aside in my schedule to work on homework and make it a top priority.
3. I promise to pay attention in class and take notes. I will ask questions if something is unclear.
4. I promise to seek help when needed. When I am having trouble with the material, I will seek out assistance from my instructor, campus resources, and classmates.
5. I promise to conduct myself with honesty and integrity in all my work. I will never cheat or take someone else's work to use as my own, including materials from a classmate, a book or magazine, or a website.
6. I promise to strive to earn the highest grade I can achieve and complete the classes with at least a C grade.
