

September 16, 2025

Serving on Bridgehaven's Board has been such a blessing. I'm constantly reminded why this ministry matters so much—not only because of the services we provide, but because of the saving faith we share in Jesus Christ. At the end of the day, it's His love that drives us and His Gospel that gives true hope to the families we serve.

This year feels especially urgent. Access to the abortion pill in our state has changed the way many women face unplanned pregnancies. For some, it feels like an "easy" solution offered in private—but what isn't talked about is the weight, the fear, and the heartbreak that often follow. At Bridgehaven, we see the faces and hear the stories behind those decisions. We get to sit with women, listen to them, and remind them that they are not alone—that there is hope in Christ and practical help through our ministry.

At the same time, God keeps bringing more families to us than our building was ever designed to hold. Between pregnancy support, parenting classes, men's mentoring, post-abortion healing, and distributing resources, our space is stretched thin. It's a good problem, but it's still a problem. We need more room to serve the way God is calling us to serve. To accommodate this growing need, we have stepped out in faith with plans to expand our blueprint through the purchase and remodel of our building.

That's why I'm reaching out. Leaders like you can make a real difference. Whether it's through financial support, in-kind donations, or sponsoring one of our events, your partnership helps us keep saying "yes" when families come through our doors. More than that, your involvement shows our community that life matters, families matter, and faith in Christ changes everything.

If you've never visited Bridgehaven, I'd love for you to come by, take a tour, and see what God is doing here. If you already know us, I'd ask you to prayerfully consider stepping in a little deeper this year as a 2026 sponsor. Together, we can keep building a community where no woman or family has to walk this journey alone.

In Christ,

Stefan Christensen

Impacting Lives in *our* Community

76 graduates

from our prenatal
classes

2024

115 families

received donated
school supplies

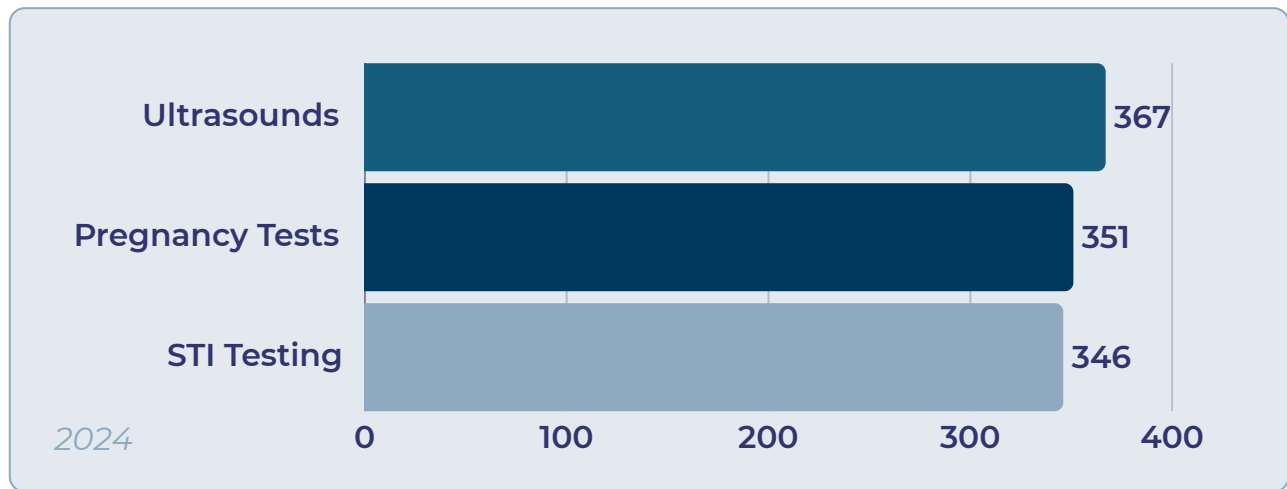

2024

173,780 lbs

of food into our
grocery store

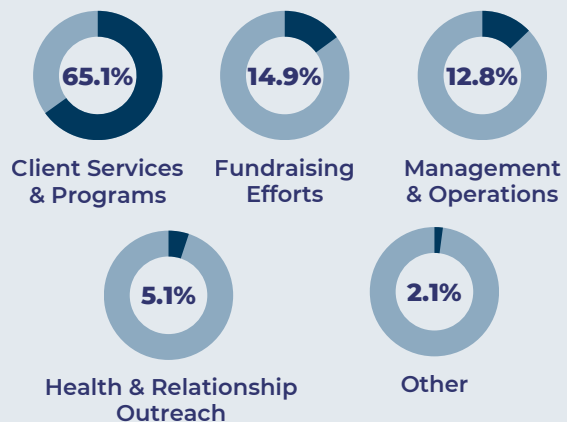

2024

I was a sophomore at Coe last year when I found out I was pregnant. I came in and met with a client advocate to talk, and had ultrasound a few weeks later.

Everyone prayed with me. I was given a book about pregnancy and a letter from a woman with a similar story. I still have it on my desk. I just wanted to reach out with an update that I had my baby boy in June, and I wanted to thank all of you for your kindness. **Because of Bridgehaven, I was able to have support and figure out how to navigate my situation.** I'll never forget the love, peace, and spirit of the Lord I felt through every step. Thank you.

2024 Expense Report

Sponsorship Levels

Community Partner

\$500 – \$2,499 Annually

Your company will be recognized on our website, highlighting your commitment to providing compassion and support to the families we serve at Bridgehaven.

Hope Partner

\$2,500 – \$4,999 Annually

Your company will be recognized on our website, and your logo will appear quarterly in Bridgehaven's newsletters - showcasing your dedication to bringing hope to our clients.

Strength Partner

\$5,000 – \$9,999 Annually

Your company will be recognized on our website, and your logo will appear quarterly in Bridgehaven's newsletters. Your business will be featured in a "Business Spotlight" article in one of our newsletters, honoring your impact on the families we serve.

Life Partner

\$10,000+ Annually

Your company will be recognized on our website, with your logo featured quarterly in Bridgehaven's bi-weekly newsletters. Your business will also receive a dedicated "Business Spotlight" in one of our newsletters. Additionally, your business will be tied to an event or other specified program in recognition of your support to empower choices for life.
